

Description:

NEW ScentVent induction seals utilize a custom venting that provides your customers with an opportunity to experience the fragrance of your product firsthand—without opening the seal. Best of all, your product contents remain pure and safe. ScentVent induction seals available on three unique sizes of PETG jars to fit your needs: 7 ml, 15 ml and 30 ml.

Features & Benefits:

- Allows customers to sample your fragrance while keeping the product sealed and untouched – Experience fewer product returns and take advantage of the resulting profits
- BPA- and Pthalate-free – Perfectly safe for all uses
- Made in USA – World-class environmental and quality standards and easy communication

Specifications:

ScentVent induction seals are available in a variety of sizes to fit CSI's extensive selection of caps and jars.

Our most popular sizes include: 7ml, 15ml, 53ml, 58mm, 70ml and 89ml

Vent Sizes: 0.188", 0.25", 0.5"
